

PILGRIM DOBERMAN PINSCHER CLUB, INC.

The Pilgrim Doberman Pinscher Club (“Pilgrim”) supports the use of Doberman Pinschers in all disciplines, including conformation, obedience and working dog sport. To promote the use of Doberman Pinschers and to encourage the breeding of fine, all-around, healthy animals, Pilgrim believes in recognizing the achievements of dogs owned and/or bred by fellow Pilgrim club members throughout each year.

A Pilgrim club member owning and/or breeding a dog that has earned a new title, degree, award, or has achieved some accomplishment that should be acknowledged, can celebrate that achievement with us by reviewing the following annual awards criteria, completing the awards form and submitting it to the Annual Awards Committee Chairperson by the deadline (indicated on award form). Examples of awards/achievements include, but are not limited to, Top Twenty, group placements, Therapy Dog, HIT, High Combined, and CGC.
